CLAY CITY, KY., THURSDAY, JANUARY 15, 1920.

NO. 2

## Largest Tide of the Season

Last Friday saw the largest tide of the season, and the biggest tide in Red river since 1913. The river ran down the front street and washed it considerably. Quite a number of houses were flooded in the eastern portion of the town. The water did not get as high as expected after it began rising so rapidly Friday morning. It rained up until two o'clock Friday morning. It was then expected that the river would rise for twenty-four hours later as it generally does. But fortunately contrary to the ordinary, the waters began to fall with but twelve hours rise.

## Hackworth Resigns as Registrar

G. Hackworth, who has been serving as Local Registrar of Vital Statistics of Clay City, and its voting precinct since 1912, has turned over said office to A. P. Johnson, who has been duly commissioned for the place. All persons desiring service in this capacity will please apply to Mr. Johnson.

Mr. Hackworth has also given up the offices of secretary of the Junior and Masonic orders. H. B. Waldron has been elected for secretary in the former and Edward Rose in the latter.

## Mrs. Conlee Returns

Mrs. Robert Conlee returned Saturday from Dry Ridge where she went two weeks ago for treatment for rheumatism. She is greatly improved. Can now walk good as formerly. This will be good news to friends of Mrs. Conlee who feared she might never recover fully.

## Carter Reynolds Sells Farm

R. L. Tipton bought of Carter Reynolds his farm near this city on the Irvine road last week for \$3,600. The place comprises about 100 acres. A small part of this farm adjoining Grant Sheemaker's lot was sold to him by Mr. Reynolds a few days before the whole tract was sold to Mr. Tipton.

## Wants the Money First

A few weeks ago the Powell Fiscal Court made application for Federal Aid to roads in this county. The authorities at Frankfort have notified Judge Daniel to have twenty-five thousand dollars put up available so the Department of Public roads can go to surveying again.

## Powell County Bank Reports

The Powell County Deposit Bank has a report of its condition of Nov. 17 in this issue. The report shows the bank to be in thriving condition and worthy the confidence of all its patrons. Mr. Howell, the new cashier has proven himself very capable.

## Bookkeeping at Stanton College

The Twenty fifth semester of Stanton College will open January 19th. Any students desiring bookkeeping may have same under Mr. H. K. Wells, who is a graduate of Smith's Business College, Lexington.

## Approaches to Bridge Swept Away

Approaches on both sides of the bridge across Red River on the Irvine road were swept away by the big tide Friday, and travel from that section of the county is cut off. The star route mail carrier to Kimbrell and Spout Spring over this road has to make the crossing in foot boat, and walk it in. The rural route service on this road is also badly crippled. The approaches are being replaced as rapidly as possible by the county under the efficient direction of T. P. Mountz, who has had much experience the past year in practical road building and construction work.

The approach on one side of the bridge at Rosslyn was also damaged, but is being put in repair by Judge Daniel.

## Crowded at The Last Moment

Considerable advertising came in at the last moment Wednesday which has crowded out very valuable matter. We have had to exclude some of the advertising of the paper to make room for legal matter. It seems that we are going to have to enlarge the paper or condense the type set on the paper. We hesitate to do either. More paper is hard to get, and smaller type is hard to read.

## Buys Home in Lee

Elder L. F. Martin has purchased 75 acres of land in Lee county near Old Landing and will move there soon as he gets possession March 1st. The good people of Clay City regret to give up Bro. Martin from our midst, but wish him and his good family well in their new home.

## Census Enumerators Busy

The census enumerators of the county are a busy bunch just now. There has been several favorable days and they have made it count in the rural sections. Mr. Geo. W. Conlee, enumerator for Clay City, reports his work about one-half finished.

## Births

Jan. 1st to Mr. and Mrs. Clarence Faulkner, a daughter.

To Mr. and Mrs. Jas. G. Fugate, of Waltersville, Jan. 3rd, a daughter—Sarah Jane.

Jan. 4th to Mr. and Mrs. Ballard Begley a son—Ralph.

## Bank Elects Directors

Stockholders of the Clay City National Bank met at the bank building Tuesday and elected directors and officers for the year 1920. The old directorate was chosen and so were the same officers selected, there being no necessity for a change.

## The Tax Sale

Sheriff Wm. Garrett is advertising in this issue his annual tax sale to take place at the court house door in Stanton the first Monday in March.

John Barleycorn had some friends in the lower federal court, but not one in the highest legal tribunal of this land. He's an outcast and a pariah, but simply will not see himself as others see him.

## Rich-Werno Girls Coming

Miss Rita Rich and Miss Laura Werno, who will be heard here on the Lyceum course Friday evening, January 23rd, as the Rich-Werno Entertainers, are well known to Lyceum audiences. They first won popularity as members of the Killarney Girls Company. They are both entertainers of high rank.

"Miss Rita Rich," says the Daily Picayune, New Orleans, La., "presents a novelty in the line of vocal programs that is entertaining, artistic and educational in equal measure. She possesses a most beautiful voice thoroughly cultivated and has excellent control of it. She throws herself completely into the spirit of the songs of the different countries and people which she represents, while with the accurate costuming and the careful study she has given to folk songs, she is enabled to give them an exceptionally fine rendition and enables the audience to catch in some measure the spirit of the people in whose hearts the early songs originated. Miss Rich is gifted with an unusual power of dialect."

Miss Werno is a reader of remarkable ability. She has a charming personality. She is a clever pianologist and her character songs are a feature of the program.

Concerning an appearance by Miss Werno in Ashland, O., the Times-Gazette of that city said: "As for Miss Laura Werno, the 'fans' distributed throughout the audience took notice when she gave her baseball reading. Miss Werno successfully worked the 'squeeze play' on her audience's laughter."

"The voice of Miss Werno is a splendid mezzo-soprano," says the Santa Cruz, Cal., Sentinel.

The Rich-Werno Entertainers, who appear here on the Lyceum course Friday evening January 23, will be one of the strong numbers of the Lyceum course this season.

This company is composed of Miss Rita Rich and Miss Laura Werno, both of whom are well known to Lyceum audiences in all parts of the country because of their connection with the popular Killarney Girls Company.

Miss Rich is well known for her impersonations of children and also as an impersonator of the grown-ups of many countries. Her folk-songs of various nations, given in costume, are a feature of her programs.

"Rita Rich makes a hit" says an Iowa editor. "She is a most charming and entertaining singer of remarkable ability and presents a fine repertoire of child songs and folk songs of all nations."

"Miss Werno's readings," says the LaGrange, Ill., Citizen, "were given with full appreciation of the author's intent, and with great sincerity of purpose. She showed remarkable ability in her pianologues. She has a charming personality."

## Responding to Statements

We have mailed several statements to subscribers to show them how they stand and responses have begun to show up. Thanks. So far not one has manifested offense nor not one has ordered the paper discontinued. This is good news. They all seem to realize that it takes money to run a paper, and many of them appreciate the fact that as we must build an office to occupy, that it also takes more money to build.

It is probable in making out several hundred statements that an error will occasionally be made, though our greatest efforts have been to have no errors. We will gladly correct any mistakes made.

Don't worry. Pretty soon the cost of living will be so high that it will be quite out of sight and then we won't be reminded of it any more.

## RICH-WERNO ENTERTAINERS.

Miss Rita Rich and Miss Laura Werno, who entertained and delighted Lyceum audiences as members of The Killarney Girls company, have been engaged by the Redpath Bureau to appear together as a new company to be known as the Rich-Werno Entertainers.

As the Dublin Girls, Miss Rich and Miss Werno have just recently toured one of the big Redpath Chautauqua circuits and their programs have everywhere been most cordially received.

In selecting a name for these enter-

## RICH-WERNO ENTERTAINERS.

tainers it was at first thought that The Dublin Girls should be retained as a title, but because their program includes songs, stories and impersonations of many other peoples besides the natives of the Emerald Isle, it was decided that the company should derive its name from its own members—Miss Rich and Miss Werno.

Miss Rita Rich immediately wins the hearts of her audiences. She is well known for her impersonations of children and also as an impersonator of the grown-ups of many countries. As a singer, in appropriate costumes, of the folk songs of various nations she wins enthusiastic commendation.

Miss Laura Werno, reader, pianist and singer, has appeared in public ever since she was eight years old as a reader of dialect selections. She is a clever pianologist and her character songs always win a hearty reception.

The coming together into one company of two such entertainers assures to their audiences a thoroughly delightful program, a program which sparkles with fun and is enriched with good music.

berg. We wish them a long, happy life.

Dr. Lawrence Knox, of Nada, has moved to Zachariah. We all regret to lose Dr. Knox and his family. His leaving will cause us to have to go to Stanton or Zachariah for medical aid. Dr. Knox has been a successful doctor and has been a slave for the people riding day and night in all kinds of weather and we certainly wish them success and happiness in their new home.

The first agricultural club organized in Powell county at the Slade and Nada consolidated school house, came Silver League, gave an entertainment Xmas eve under the management of the Misses Bowen, was quite a success and enjoyed by a good sized audience. The club had not practiced but a short time and their performance was far beyond expectation for such little practice and speaks loud for the talent in this club, and we predict a bright future for the entire club. Prof. Harrison, of Stanton, gave an efficient talk and presented their charter. We can say this much they brought more parents together at this entertainment than the writer has seen for years, at one time.

## Pale, Anemic Girls Need a Blood Tonic

Pepto-Mangan Enriches and Builds Up the Blood

Pallor, Headaches and Shortness of Breath Disappear

Pepto-Mangan Sold in Liquid and Tablet Form

Why should any girl or young woman continue to have a pale, sallow complexion and a listless, run down system devoid of energy and vitality?

Such young folks are continually unhappy and dejected simply because they accept such a condition as their misfortune, and envy their friends who are in the bloom of health and enjoying all the good things of life.

If such young woman would realize that their anemic condition is probably due to thin, impoverished blood, which could easily be enriched by Gude's Pepto-Mangan, how much happier and attractive they would be.

Gude's Pepto-Mangan is a safe, beneficial and pleasant tonic for anyone suffering from any ailment caused by poor blood. If taken regularly for a few weeks it will enrich the blood with thousands of the healthy red-blood cells that are needed to carry nourishment to every part of the body.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients.

Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.
